A message from Gita & Uzma

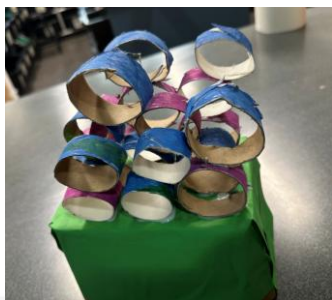

Dear parents and families,

Last week, we celebrated Father's Day, the children enjoyed creating thoughtful Father's and Special Person Day's crafts and cards, where they were able to express their love and appreciation in their own unique way.

We also held a yarnning circle, giving the children time to share stories about what makes their dads and carers special. It was wonderful to see the pride and joy in their voices as they spoke. We will continue to encourage the children to recognise, support, and care for them. Days like Father's Day help us highlight the values of love, respect, and family within our OSHC community.

On Big Art Friday, the children created card tube sculptures. The children enjoyed the process of creating the sculptures and engaged in conversations of colour and design. Please don't forget to book for Rocketeers!

Warm regards, OSHC team

Activities coming up

- Rocketeers
- Big art
- Cooking
