A message from Gita and Uzma

This week was bursting with creativity and colour! The children enjoyed expressing their creativity through two exciting art projects! They made plate faces using colourful packing peanuts and shiny stickers, some were funny, some unique, and some full of personality!

They also created wooden trees painted in seasonal colours. These hands-on activities encouraged imagination, fine motor skills, and teamwork. The children were so proud to see their wonderful creations on display! At OSHC, we love creating opportunities for children to express themselves, learn through play, and feel connected to one another.
