

Prep

We are all special

Students will continue exploring different ways families show love towards each other.

Students will also learn about Mary MacKillop.

Phonics

Students will continue to work in Phonics groups to explicitly target new sounds.

Writing

Students will continue to focus on sounding out words, using capital letters and full stops in their sentences and leaving finger spaces between words. Students are encouraged to add more detail in their writing and use more difficult words by applying their phonics knowledge.

Handwriting

Focus letters: W and X

Reading

Students will continue to use early reading strategies such as sounding out, picture cues, initial letter/sound and re-reading.

Heart Words Focus

Her, for, or, do, two, who

Measurement - Length

- Measure and compare the length of objects using informal units to begin
- Begin to understand that the unit of measurement must be the same size in order to compare objects

Healthy and safe me

Students will learn about ways to stay safe in water.
