

Year 2

RELIGION

Jesus: Mission impossible

students will:

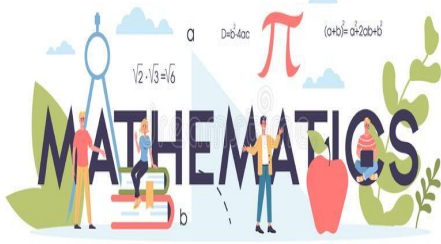

- Continue to explore the life and mission of Jesus through new testament scripture passages about his life and make connections with their own lives.

Book Week:

Students will:

- Participate in book week activities around the theme "Old World, New World and Other Worlds".
- Explore shortlisted books and focus on one each day. They will participate in various activities to respond to the text.
- Revise Phonics, e.g. such as split digraph, a-e, e-e, i-e.
- Continue to explore Information Reports by writing facts and begin to look at the structure of an Information report.

Number & Algebra:

Students will:

- Investigate number sequences that increase and decrease by 2s, 3s, 5s and 10s.
- Recognise division as equal size groups.
- Solve simple problems that will require them to divide objects into equal groups.
- Continue to revise multiplication strategies - repeated addition, groups and arrays.

Wellbeing:

Students will:

- Participate in 'Fun Friday' activities and these will include developing positive relationships with the teacher and others.
- Develop a growth mindset towards Remote Learning.
- Participate in Art based activities where they can express themselves.
