

Year 3

RELIGION

Students will:

- continue to be immersed in prayerful and reflective settings and contribute responses in response to questions posed
- explore the Canticle of Creation and St Francis of Assisi
- make a link between prayer and the lives of others with a disability (Paralympics)

Reading and Viewing

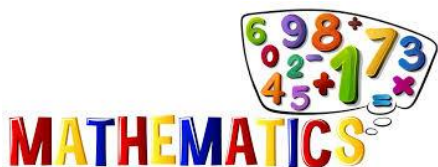

Students will:

- be exposed to a range of text types in line with 'Book Week'
- experiment with a range of response types when analysing creative stories and picture story books
- Be required to display and communicate their comprehension skills and knowledge acquired from various texts via a range of digital templates

Writing

Students will:

- continue to edit and publish information reports, with an emphasis on following correct genre and sentence structure
- practice writing imaginative and creative responses to a variety of 'Book Week' themed prompts
- continue to practice basic letter formation and continue to attempt cursive writing

Fractions & Decimals

Students will:

- be exposed to parts of numbers
- explore how different place values can be displayed
- explore number lines and real life examples of fractional amounts
